Humbly in your sight

we come together, Lord.

Grant us now the blessing of your presence here.

These, our hearts, are yours,

we give them to you, Lord.

Purify our love to make it like your own.

These, our eyes are yours,

we give them to you, Lord.

May we always see Your world as with your sight.

These, our hands, are yours,

we give them to you, Lord.

Give them strength and skill to do our work for you.

These, our feet are yours,

we give them to you, Lord.

May we walk along the path of life with you.

These, our tongues, are yours,

we give them to you, Lord.

May we speak your healing words of life and truth.

These, our ears are yours,

we give them to you, Lord.

Open them to hear your words of guidance, Lord.

Our whole selves are yours,

we give them to you, Lord.

Take us now and keep us yours forevermore.

Update and vote from the Trustees

1. Sound system, all the components have been purchased and we are awaiting the delivery of the speakers. As soon as the speakers are here then they can be installed, it will require some modification to the stage but not much. The cost of this project is \$4k and the funds come from the Vince McCarley bequest.

2. The roof, on this project we all need to vote and it will be a secret vote as agreed upon at the Semi Annual General Meeting. This concerns the roof. The cost of replacing the roof on the parking lot side will be \$40,844 as quoted by Cody Pru'homme. As this amount exceeds \$10,000 the congregation has to decide whether the Trustees can proceed with this transaction or not. The insurance will payout \$12k towards our claim.

Joe van Heerden will explain all of this and ask all present to have a say regarding this matter.

To help with the cost of the new roof the Trustees ask everybody that congregates under this roof to consider buying a bundle of shingles to help reduce the outlay for the church to keep the elements at bay.

Looking at prices today a bundle of shingles costs around \$40.

Even a contribution towards a bundle will be greatly appreciated.
