On Mother's Day, we pray for the women who care so deeply for those around them. Pray that they would be encouraged today and thank God for their strength, love and dedication. For those that may find this day challenging, hold them in your prayers today as well.

Brian and Coreen Buckler

Brian and Coreen left yesterday for a road trip to visit family and friends. They will be away for over two months as they travel to New York State, Ohio, Manitoba, Alberta, Montana, Washington State, California and Arizona, before they begin their journey home. Please be in prayer for the safety of this dear couple throughout their travels until their return home the end of July. During their absence, their warm and welcoming greetings in the foyer on Sunday mornings will be greatly missed.

Sunday Morning Offerings

Since the onset of Covid with all its regulations and restrictions, the offering plates have not been passed during our morning services. However, now that the situation has eased somewhat, and the risk of infection is not as great, the decision has been made to pass the offering plates once again. This will begin next Sunday.

Food Bank Reminder

Just a reminder that we are continuing to collect donations of food for the Food Bank. Nonperishable items can be brought in anytime. The big push for donations will be the last Sunday of the month instead of the first Sunday.

Food Bank Presentation

On Sunday May 21st, Roger Tibbets will be joining us for the morning service. He will be giving us an update on the Food Bank.
