**Guest Speaker - Dr. Robert S. Wilson**

We extend a very warm welcome this morning to our guest speaker, Dr Robert Wilson. Dr. Wilson was born and raised in Moncton, NB. Following high school, he pursued studies at what is now known as Crandall University. Later, he enrolled at Gordon College in Massachusetts, graduating from there with a BA in history. He went on to obtain an MA and a PhD in British history from the University of Guelph. Dr. Wilson taught for one year there before taking on the position of Dean of Arts and Assistant Professor of History at Atlantic Baptist College (now Crandall University). In 1991, Dr. Wilson was called to Acadia Divinity College to serve as professor of Church History, where he also assumed many additional roles during the intervening years until his official retirement in 2018. However, like so many other gifted leaders, he has continued to serve in a variety of capacities and in many places. Some might be interested to know that he and Dr. Gardner have recently been taking turns with Sunday preaching at Arlington Baptist, a small church on north mountain a few miles from Wolfville. Also, it's important to note that Dr. Wilson and his wife Myrna, are blessed with two married children and three grandchildren.
