On this final Sunday of Advent, let's celebrate the peace that comes with trusting God. Thank God that through his Son, the Prince of Peace, we are able to know him and experience his profound love for us. Take time to remember Jesus' birth, death, and resurrection and celebrate God's goodness as he continues to redeem our broken world. Pray for God's peace to surround our churches, homes, and neighbourhoods this Christmas.

Christmas Supper

Our Church Family Christmas supper on Dec. 15 was a very enjoyable experience, with lots of delicious food, great fellowship, and enthusiastic carol singing. How grateful we are to those who gave of themselves so freely to make this very special event possible. We are equally thankful to those who attended, making all the preparations worthwhile. Thank you everyone.

Sunday Morning Service, December 31, 2023

Our service next Sunday morning will be a continuation of the Christmas theme. Our beautiful decorations will remain in place for one last time, there will be carols, the lighting of the Christ Candle, and a Christmas sermon "The Things in Mary's Heart."
