## CBAC Prayer Link

This month, we take time to recognize African Heritage Month.

We celebrate the diversity, history and culture of the Black community. As we strive to keep learning about this vibrant culture, pray that the Holy Spirit would lead us toward unity.

Pray for the work of the African United Baptist Association as they serve the Black community, as well as for the pastors and churches within the AUBA.

We look forward to Myra's message today, 'Roots to Braids,' and we express our sincere appreciation to her for the generosity of time and effort involved in its preparation.
