Bridgetown Baptist Church Fire

Our hearts go out to the people of Bridgetown Baptist Church following the devastating fire on Friday, April 26 that destroyed their building, but not their faith. The congregation gathered, as usual, for worship on Sunday morning. This time, the service took place in Centerlea Baptist Church in combination with the Centerlea congregation. Rev. Dr. Steven Hopper, pastor of Bridgetown Baptist, led in vibrant worship, reminding those gathered that God is in the business of creating beauty out of ashes. All aspects of the ministry will continue with many of the programs to be held in the Salvation Army place of worship. Committee and board meetings and planning sessions will be held in homes. Please keep this church family in your prayers as they continue the journey believing, as their pastor reminded them, that the King is still on his throne, that Jesus still reigns.
